### Online Mental Health Services Locator:

Community Mental Health Centers (CMHCs) provide screening, assessment and referral services, emergency services, therapy, psychiatric rehabilitation, case management, and other community support services. There are fifteen CMHCs, five of which are state-operated facilities and the other ten are contracted non-profit providers. There are many satellite branches. They cover all 77 counties. All CMHCs provide services to both adult and children. This link will help you locate the closest CMHC.
