

RN Care Manager

Council Oak Clinic

VACANCY ANNOUNCEMENT: VA 24-351

STARTING SALARY: Negotiable

CLOSING DATE: Open Until Filled

Muscogee Nation Department of Health (MCN Health) provides comprehensive health care services to Native Americans living within the Muscogee Nation. MCN Health is an integrated system of six health centers, an Express Care Clinic, three hospitals, a physical rehabilitation center and nine comprehensive community health programs. Offering services across the lifespan including pediatrics, family medicine, nursing, dental, laboratory, radiology, pharmacy, behavioral health, emergency medical, audiology, nutrition, physical therapy, and optometry.

DESCRIPTION OF ASSIGNMENT: The purpose of this position is to provide case management to patients needing chronic care management and transitional care management in the clinic setting. Incumbent monitors patient progress and coordinates clinic and community resources to assist patients in reaching healthy outcomes. **The position is located at the Council Oak Comprehensive Healthcare in Tulsa, OK.**

REQUIREMENTS: A Bachelor's Degree in Nursing (BSN) received from an accredited school of professional nursing is preferred. A minimum of one (1) year related experience in a relevant job position. Must possess current State of Oklahoma Nursing licensure and Driver's License. Incumbent must be insurable. Certification as a Diabetes Educator (CDE) would benefit potential incumbent.

EVALUATION METHODS: Applicants who meet the requirements described above will be evaluated to determine the extent to which they possess or have the potential to acquire knowledge, skills, abilities, and personal characteristics, (KSAP's) required of this position. Applicants should address the following KSAP's on a separate attachment to their application.

- Professional knowledge of nursing care principles, TQM ethics, practices and process required to assess nursing needs of assigned patients.
- Knowledge of diabetes and its relation to cardiovascular disease and associated abnormalities.
- Ability to develop, implement and evaluate a treatment plan to meet the needs of assigned patients.
- Ability to provide patient services in accordance to established protocol and guidelines set forth by the Diabetes Program.
- Ability to utilize a personal computer and its applications in a Windows environment.
- Ability to communicate courteously and effectively with patients and their families, medical and administrative staff, health care professionals and the general public both orally and in writing.

APPLICATION PROCEDURES: Apply online at Department of Health Application. (Current employees must use a transfer request form available on the intranet home page under forms). The KSAP's as outlined in the Evaluation Methods section should be addressed but are not required. For further information, call Tracy Watters at (918) 762-0307. The Department of Health is an Equal Opportunity Employer; however, Indian Preference will be applied in the case of equally qualified applicants.
