POSITION: Public Health Project Director-Council Oak
VACANCY ANNOUNCEMENT: CN-23-47

STARTING SALARY: Negotiable
CLOSING DATE: Open Until Filled

The Muscogee (Creek) Nation Department of Health (MCNDH) provides comprehensive health care services to Native Americans living within the Muscogee (Creek) Nation. MCNDH is an integrated system of six health centers, an Express Care Clinic, two hospitals, a physical rehabilitation center and nine comprehensive community health programs Offering services across the lifespan including pediatrics, family medicine, nursing, dental, laboratory, radiology, pharmacy, behavioral health, emergency medical, audiology, nutrition, physical therapy and optometry.

DESCRIPTION OF ASSIGNMENT: The purpose of the position is to provide administrative management of the Public Health activities in the health system within the designated service area of the Muscogee (Creek) nation. Some travel will be required. This position is located at the Council Oak Comprehensive Healthcare in Tulsa, OK.

REQUIREMENTS: Candidates must meet the following requirements:

A Master's Degree in public health or epidemiology from an accredited college or university. A Ph.D. or DrPH degree is preferred. A minimum of two (2) years of experience in the public health field and/or federal grant experience is required and ten (10) years of experience in lieu of a Ph.D. or DrPH with strong organizational, analytical, reasoning, and research skills. **It is the policy of MCNDH for all employees to comply with the COVID-19 vaccination program.**

EVALUATION METHODS: Applicants who meet the requirements described above will be evaluated to determine the extent to which they possess or have the potential to acquire knowledge, skills, abilities and personal characteristics, (KSAP's) required of this position. Applicants should address the following KSAP's on a separate attachment to their application.

1. Understanding the place of epidemiology in public health, specifically how epidemiology is used to identify causes of disease, identify populations at high risk for disease, develop preventative methods, and evaluate public health strategies.
2. Ability to negotiate effectively in a variety of adverse settings and conditions and demonstrated flexibility in dealing with changing priorities or positions.
3. Ability to communicate courteously and effectively with patients and their families, DHA administrative and medical staff, Tribal, and Non-Tribal health care professionals, and the general public both orally and in writing.
4. Ability to effectively supervise & motivate staff to achieve program goals and objectives.
5. Understanding and respect for working with underserved populations within the tribal reservation.

APPLICATION PROCEDURES: Apply online at www.creekhealth.org. (Current employees must use a transfer request form available on the intranet home page under forms). The KSAP's as outlined in the Evaluation Methods section should be addressed, but are not required. For further information, call Tracy Watters at (918) 762-0307. The Department of Health is an Equal Opportunity Employer; however, Indian Preference will be applied in the case of equally qualified applicants.
