POSITION: RN House Supervisor-(Night Shift-2 Positions)-Council Oak
VACANCY ANNOUNCEMENT: CN-23-286

STARTING SALARY: Negotiable
CLOSING DATE: Open Until Filled

The Muscogee (Creek) Nation Department of Health (MCNDH) provides comprehensive health care services to Native Americans living within the Muscogee (Creek) Nation. MCNDH is an integrated system of six health centers, an Express Care Clinic, three hospitals, a physical rehabilitation center and nine comprehensive community health programs Offering services across the lifespan including pediatrics, family medicine, nursing, dental, laboratory, radiology, pharmacy, behavioral health, emergency medical, audiology, nutrition, physical therapy, and optometry.

DESCRIPTION OF ASSIGNMENT: Position serves as an integral part of the Hospital leadership team providing nurse supervision and direction as well as administrative support for the Muscogee (Creek) Nation Hospital Services Division. Incumbent is under the supervision of the Director of Nursing and Chief Nursing Officer. This position is located at the Council Oak Comprehensive Health Hospital in Tulsa, OK.

REQUIREMENTS: Candidates must meet the following requirements:

The incumbent must be a graduate of an accredited professional school of nursing. BSN preferred. Prefer one year of supervisory experience. Incumbent is required to possess current licensure by the State of Oklahoma or National Council of State Boards of Nursing for Registered Nurse. BLS, ACLS, and PALS certifications required. NIHSS certification annually. **It is the policy of MCNDH for all employees to comply with the COVID-19 vaccination program.**

EVALUATION METHODS: Applicants who meet the requirements described above will be evaluated to determine the extent to which they possess or have the potential to acquire knowledge, skills, abilities and personal characteristics, (KSAP's) required of this position. Applicants should address the following KSAP's on a separate attachment to their application.

1. Professional knowledge of nursing care principles, quality management, ethics, infection prevention practices and processes required to assess nursing needs of patients and provide education to nursing staff.
 2. Knowledge of a wide variety of medical disorders, normal course of diseases, potential complications and individual therapeutic interventions.
 3. Knowledge of pharmaceuticals, their desired effects, side effects and complications of their use.
 4. Ability to recognize and react to emergency situations.
 5. Knowledge and skill in operation and monitoring of general nursing equipment, e.g. infusion pumps, defibrillators, arrhythmia monitors, etc.
 6. Ability to develop, implement and evaluate a patient care plan.
 7. Ability to supervise and evaluate nursing staff.
 8. Ability to manage patient flow, capacity and patient transfers both internal and external.
 9. Computer literacy and ability to become proficient on electronic medical record.
 10. Ability to communicate professionally and effectively in oral and written form.
-

APPLICATION PROCEDURES: Apply online at [Department of Health Application](#). (Current employees must use a transfer request form available on the intranet home page under forms). The KSAP's as outlined in the Evaluation Methods section should be addressed, but are not required. For further information, call Tracy Watters at (918) 762-0307. The Department of Health is an Equal Opportunity Employer; however, Indian Preference will be applied in the case of equally qualified applicants.
