POSITION: MRI/CT Technologist (PRN)-All Locations
VACANCY ANNOUNCEMENT: CN-23-356

STARTING SALARY: Negotiable
CLOSING DATE: Open Until Filled

The Muscogee (Creek) Nation Department of Health (MCNDH) provides comprehensive health care services to Native Americans living within the Muscogee (Creek) Nation. MCNDH is an integrated system of six health centers, an Express Care Clinic, three hospitals, a physical rehabilitation center and nine comprehensive community health programs Offering services across the lifespan including pediatrics, family medicine, nursing, dental, laboratory, radiology, pharmacy, behavioral health, emergency medical, audiology, nutrition, physical therapy, and optometry.

DESCRIPTION OF ASSIGNMENT: The primary purpose of the position is to perform all required Magnetic Resonance Imaging and CT scanning procedures in accordance with established Radiological protocols. This position will be within the MCN Department of Health.

REQUIREMENTS: Candidates must meet the following requirements:

Completion of a formal radiological program from an accredited college or hospital-based program. Prefer two (2) years relevant experience as a Radiologic Technologist with at least one (1) year experience in a Magnetic Resonance Imaging department. Current registration with the ARRT as a Magnetic Resonance Technologist or registry eligible status is required. If registry eligible, registry must be obtained within 6 months of hire. CPR certification is required, and completion of an accredited IV therapy program is preferred.

EVALUATION METHODS: Applicants who meet the requirements described above will be evaluated to determine the extent to which they possess or have the potential to acquire knowledge, skills, abilities and personal characteristics, (KSAP's) required of this position. Applicants should address the following KSAP's on a separate attachment to their application.

1. Knowledge of the physics of Physics of Magnetic Resonance.
2. Ability to perform basic and advanced MRI functions independently and with minimal supervision.
3. Ability to provide accurate diagnostic images and related functions using MRI scanning techniques and equipment.
4. Skill and knowledge required to identify disease abnormalities and physiological processes while performing MRI scans.
5. Knowledge of methods, techniques and quality control required to accurately produce diagnostic images with optimum results.
6. Skill in obtaining adequate diagnostic quality MRI scans on patients for which normal techniques and methods are not possible, requiring techniques, which deviate from the normal.
7. Ability to perform MRI examinations in a variety of conditions such as emergency trauma and have the ability to handle patients in trauma.
8. Ability to communicate courteously and effectively to patients, other staff, and the general public both orally and in writing.

APPLICATION PROCEDURES: Apply online at [Department of Health Application](#). (Current employees must use a transfer request form available on the intranet home page under forms). The KSAP's as outlined in the Evaluation Methods section should be addressed, but are not required. For further information, call Tracey Watters at (918) 762-0307. The Department of Health is an Equal Opportunity Employer; however, Indian Preference will be applied in the case of equally qualified applicants.
