

PET CT/Nuclear Medicine Technologist

Medical Center

VACANCY ANNOUNCEMENT: VA 24-216

STARTING SALARY: Negotiable

CLOSING DATE: Open Until Filled

Muscogee Nation Department of Health (MCN Health) provides comprehensive health care services to Native Americans living within the Muscogee Nation. MCN Health is an integrated system of six health centers, an Express Care Clinic, three hospitals, a physical rehabilitation center and nine comprehensive community health programs. Offering services across the lifespan including pediatrics, family medicine, nursing, dental, laboratory, radiology, pharmacy, behavioral health, emergency medical, audiology, nutrition, physical therapy, and optometry.

DESCRIPTION OF ASSIGNMENT: The primary purpose of the position is to perform all required Nuclear Medicine scanning procedures in accordance with established clinical policy and radiologist protocols. As well as perform all required PET CT examinations in accordance with established clinical policy and radiologist protocols. This position is located at the Muscogee (Creek) Nation Medical Center in Okmulgee, Ok.

REQUIREMENTS: Completion of a formal Nuclear Medicine program from an accredited college or hospital-based program. (Refer to Licenses & Certifications below for certification criteria). Prefer two (2) years relevant experience as a Certified Nuclear Medicine Technologist (CNMT) or Registered Nuclear Medicine Technologist (RT-N). Prefer two (2) years relevant experience as a Registered CT Technologist with PET CT experience. Current registration with the ARRT as a Nuclear Medicine Technologist or NMTCB Certification. Current registration with the ARRT as a CT Technologist. American Heart Association BLS certification is required.

EVALUATION METHODS: Applicants who meet the requirements described above will be evaluated to determine the extent to which they possess or have the potential to acquire knowledge, skills, abilities, and personal characteristics, (KSAP's) required of this position. Applicants should address the following KSAP's on a separate attachment to their application.

- Knowledge of physics and pathophysiology of Nuclear Medicine and PET CT.
- Ability to perform Nuclear Medicine studies, while functioning independently and with minimal supervision.
- Ability to perform PET CT studies, while functioning independently and with minimal supervision.
- Ability to provide accurate diagnostic images and related functions using Nuclear Medicine scanning equipment.
- Ability to provide accurate diagnostic images and related functions using PET CT scanning equipment.
- Skill and knowledge required to identify disease abnormalities and physiological processes while performing Nuclear Medicine procedures.
- Skill and knowledge required to identify disease abnormalities and physiological processes while performing PET CT procedures.
- Skill in obtaining adequate diagnostic quality Nuclear Medicine scans on patients for which normal techniques and methods are not possible, requiring techniques which deviate from the normal.
- Skills in obtaining adequate PET CT images on patients for which normal techniques and methods are not possible, requiring techniques which deviate from the normal.
- Knowledge of methods, techniques and quality control required to accurately produce diagnostic images with optimum results.
- Ability to successfully complete annual IV Competency Evaluation
- Knowledge of common health system related programs such as electronic health record and picture archiving and communication systems (PACS) applications.
- Ability to communicate courteously and effectively to patients, other staff and the general public both orally and in writing.

APPLICATION PROCEDURES: Apply online at Department of Health Application. (Current employees must use a transfer request form available on the intranet home page under forms). The KSAP's as outlined in the Evaluation Methods section should be addressed but are not required. For further information, call Tracy Watters at (918) 762-0307. The Department of Health is an Equal Opportunity Employer; however, Indian Preference will be applied in the case of equally qualified applicants.
